Step 2: Click the "Enroll" button. If you don't have an account, you can click, "Don't have an account? Create one now." Once you have created an account, you can use the same login and password to access additional "previews". Wander through the preview features of each course.

The image shows a screenshot of a SkillsCommons course page. At the top left is the SkillsCommons logo. The main heading is "Manufacturing Processes Course" with the SkillsCommons logo below it. Below the heading are social sharing buttons for Like, Tweet, and G+. A paragraph of text describes the course as a survey course of manufacturing. A white login modal is overlaid on the page, containing a "Login" title, "USER NAME" and "PASSWORD" labels, two input fields, a "Login" button, and two links: "Forgot Your Password?" and "Don't have an account? Create one now." A red arrow points to the "Don't have an account? Create one now." link. Below the modal, the "Instructors" section lists Amber Latham, Jeffrey Kahn, and Rick Lumadue. To the right, there is an "Enroll" button and a "Course Details" section. At the bottom right, there is a "Stay Connected" section with social media links for skillscommons.org, twitter.com/skillscommons, facebook.com/skillscommons/, and youtube.com/skillscommons.

If you don't have an account, you can click, "Don't have an account? Create one now." Once you have created an account, you can use the same login and password to access additional "previews". Wander through the preview features of each course.
